**FOREST DAY 3**

**13 December 2009**

**Time: 1500 - 1630 hrs**

**Venue: SAS Amazon Room, 2<sup>nd</sup> floor  
Radisson BLU Falconer Hotel & Conference Center  
Copenhagen, Denmark**

**What are the potential social impacts of REDD initiatives,  
and how can such initiatives recognize the rights  
and roles of indigenous and local communities?**

## ***Event brief:***

Panelists will present an overview of the potential impacts of REDD+ on indigenous peoples and local communities, including the potential implications for livelihoods and for rights to land, territories and resources, as well as socio-cultural rights. Panelists will describe policy approaches to ensure that rights are respected and that REDD+ contributes to sustainable livelihoods and inclusive development. Panelists will also discuss practical approaches and lessons learned from the implementation of early REDD activities in a range of geographic and social contexts from around the world. Significant time will be dedicated to interaction between the audience and panelists.
