

Dr Johnny Yuen
Assistant Manager, Pao Yue-kong Library,
The Hong Kong Polytechnic University,
Hong Kong

Dr Johnny Yuen is project executive of the OER (Open Education Resource), Outstanding Works by Students, and the "InfoLit for U" MOOC (shortlisted for Hybrid Learning Awards at QS Reimagine Education 2018) projects at the Pao Yue-Kong Library of The Hong Kong Polytechnic University. Before joining PolyU, he was the manager of Hong Kong's participation in the IEA's 1st International Computer & Information Literacy Study (2013), a project at the Centre for IT in Education, The University of Hong Kong. His research interest covers personal epistemology, information literacy, collaborative knowledge building, and IT in education.
