

**Ms Ramya Hebbalaguppe**  
**Scientist in Deep Learning and Artificial Intelligence (DLAI) Research**  
**Group**  
**TCS Research, New Delhi**

Ms Ramya Hebbalaguppe is a scientist in Deep Learning and Artificial Intelligence (DLAI) Research Group at TCS Research, New Delhi. She earned her M. E. in Artificial Intelligence from INSIGHT: Research Centre for Big Data Analytics, at Dublin City University, Ireland. Prior to her post graduate studies, she was a researcher at School of Computer Engineering, Nanyang Technological University, Singapore working in the field of computational photography. Her research interests include: Augmented reality, Computer Vision, and Machine Learning. She is a recipient of best research paper award at SPIE - 2012, San Francisco, Invent award for commercialization, 2014, during her academic tenure at INSIGHT. She has also received individual excellence and team awards during her work in industry. At TCS research, her group enables mass market reach of augmented reality offerings via developing solutions for industrial MRO on smartphones and frugal headmounts.
