

Rehan Ahmad Warsi

Deputy Director General

Rehan Ahmad Warsi, is presently serving as DDG- Central Archives, Prasar Bharati. He has rendered myriad services to Doordarshan, Ministry of Information and Broadcasting in different capacities. Hailing from the 1990 batch of Indian Engineering Services, he joined Doordarshan Kendra, Lucknow as Assistant Director Engineering in the year 1992. An M. Tech in Computer Science from IIT Roorkee, he was further selected for M. Tech from IIT Kanpur to enhance his technical acumen in the field of RF technology and Mobile communications. A meticulous and diligent Engineer, he is passionate about any domain or vista assigned to him. His professional profile has a wide range which includes both technology and content production. From designing TV production studios and their automation to heading technical teams of OB vans, DD News, multi-sports event coverages including Olympic, Asian and Common Wealth Games, VVIP OBs, and Marathons etc., are to name a few. He has also served as DDG (Programme) for DD National and DD Sports channel. Through his assiduous planning and implementation skills with available resources, he has zealously essayed each assignment to perfection and finesse. In his present posting, digitization of legacy contents of both AIR and DD for posterity is in full swing along with its monetization. The digitized contents are now available in public domain to wide range of viewers through YouTube. He draws inspiration from Lord Tennyson's Ulysses "To strive, to seek, to find, and not to yield."
