ICDL 2019 is pleased to announce **Thematic Events** for discussion on specialized issues relevant to future smart environment. These trends are already visible across the globe, however, requires special emphasis and discussions to resolve the challenges faced by the societies. A learned panel of experts will deliver views and share experiences on the issue. These Thematic Events will be held in parallels. All conference delegates will attend these events. ICDL invites requests from stakeholders to organize these above-mentioned events.

By partnering the Thematic Events, participants get opportunity to interact with corporate and academic personalities. Sponsors have options to speak or even showcase case studies during the session, to receive enhanced mileage and visibility.

### Benefits include

- On-site branding
- Sponsor to get mileage as special event partner
- Presence of company senior official in the Panel discussion during the workshop
- Free registrations to 6 participation for the Thematic Event and the ICDL 2019 conference
- Organization's logo prominently displayed in event banner
- Branding on the conference website
- Listing of organization's logo in the Conference Guide to be handed over to about 500 delegates
- Display and distribution of corporate and product literature
