D.O. No.:1-1/2023(Environment Education)

24th January, 2024/4 माघ, 1945

Dear Madam/Sir,

As you are well aware of the directives of the Hon'ble Supreme Court of India regarding compulsory implementation of Environmental Studies at the undergraduate level and further integration of environmental education into curricula to equip students with the necessary knowledge and skills for addressing complex environmental issues as per the National Education Policy (NEP) 2020. In this context, I bring to your attention an enriching opportunity for students at Universities/Colleges — the upcoming GO4Youth Olympiad organized by The Energy and Resources Institute (TERI) and endorsed by the University Grants Commission (UGC), Ministry of Education (MoE) and Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India and this initiative aligns with the national agenda for environmental education.

The GO4Youth Olympiad, a distinctive interdisciplinary program tailored for students aged 18-25 years in Higher Education Institutions (HEIs) across India, is scheduled to take place online from April 8 to 12, 2024. It is designed to create awareness focusing on environmental and sustainability issues.

Important Dates:

Registration Deadline: February 25, 2024

Examination: April 8 to 12, 2024

Benefits for Students:

E-certificates for all participants.

Merit and distinction e-certificates for rank holders.

Cash awards for the top three positions.

Membership in TERI's youth network.

Internship opportunities at TERI and other renowned institutes.

Development of an impressive environment portfolio.

Participating in the GO4Youth Olympiad offers students a chance to deepen their awareness about Mission LiFE and other national priority schemes. This aligns with the national agenda and empowers the youth to actively contribute to the country's sustainable development goals.

As future leaders, it is crucial to equip students with the knowledge and passion to advocate for environmentally conscious behavior and contribute meaningfully to global efforts aimed at environmental conservation.
