13:50 – 16:40 hrs.	SESSION 2: ENERGY SESSION
13:40 – 15:00 hrs.	<p>Indian economy is growing rapidly and the country is among the largest economies in terms of GDP. At the same time, Indian cities are facing the problem of air pollution, which can be directly linked to increased economic activities. This session will focus on achieving a sustainable economic growth through suitable policy interventions and adoption of clean technologies.</p> <p>Panel Discussion 1: <u>“Clean Air India; Technological Options and Emission Improvement”</u></p> <p>Moderator</p> <p>Dr Ajay Mathur, Director General, The Energy and Resources Institute (TERI)</p> <p>Panelists:</p> <ul style="list-style-type: none"> ➤ Mr Noboru Aoki, Director General, Environment Department, NEDO ➤ Mr S P Singh Parihar, Chairman, Central Pollution Control Board ➤ Mr Atsushi Kato, General Manager, Head of Delhi Office, Mitsubishi Hitachi Power Systems India Pvt. Ltd. (MHPS) ➤ Prof Mukesh Sharma, IIT Kanpur ➤ Mr Tomoichiro Utsumi, Researcher, International Affairs Department NEDO
15:00 – 16:40 hrs.	<p>Energy use and transport sector are closely related. The Indian transport sector is the largest commodity importer and therefore, has a significant effect on the macro economic situation of the country. The Government of India plans to bring about a transformational paradigm shift in the automotive and transportation industry in the country through promotion of electric vehicles. The shift towards electric vehicles will require creation of requisite infrastructure. The session will focus on technological options like Virtual Power Plant Technology and vision of Indian automobile manufacturing industry in this direction.</p> <p>Panel Discussion 2: <u>“Concept of Virtual Power Plant by using Electric Vehicle”</u></p> <p>Moderator</p> <p>Dr Sajid Mubashir, Scientist G, Department of Science and Technology, GOI</p> <p>Panelists:</p> <ul style="list-style-type: none"> ➤ Mr Shinichi Imai, Managing Director, TEPCO Power Grid, Inc. ➤ Mr Tomoya Imazu, Deputy General Manager (EV Operations Dept), Nissan Motor Co., Ltd. ➤ Mr Saurabh Rohilla, Associate Director, Society of Indian Automobile Manufacturers (SIAM) ➤ Mr Pankaj Batra, Member (Planning), Central Electricity Authority (CEA) ➤ Dr G Ganesh Das, Head - Strategy, Business Excellence & Collaborations, Digital & Business Intelligence, Tata Power Delhi Distribution Limited (TPDDL)
