# Planet Calling!

*"I took the road less travelled, and that has made all the difference"*  
- Robert Frost

- A 4 day residential camp for youth (16-25 years) that aims to create a generation of naturalists, to lead a path towards sustainability.
- An everlasting journey for sustainability champions to understand their relationship with the environment.

## Camp Highlights

- Understand relationships between 'I' & 'Us'
- Hone leadership skills by breaking stereotypes
- Relate with ecosystems
- Participate in eco adventure through nature trails, treasure hunt, and lots more....
