

Health and Environment
Towards Greening Post COVID-19 Economic Recovery

AGENDA

Date: 29th May 2020 (Friday)

Time: 4:00 PM to 5:30 PM (1600 to 1730 hours), New Delhi India Time

Join via Cisco Webex. Link <https://bit.ly/greenrec>

Event Number: 127 466 5583

Event Password: DF\$23!

YouTube Live-stream Link: https://youtu.be/d_-AA_9MRh8

Event chairs

- Mr. R R Rashmi (Distinguished Fellow and Programme Director, IPAD, TERI)
- Mr. Shantanu Gotmare (India Country Representative, GGGI)

Format

The event will be initiated by welcome and introductory remarks by the Chairs. A brief framing presentation will then be made. Keynote addresses will be made followed by Special Address. This will be followed by Thematic Presentations by two experts. The event will be chaired by Mr. R R Rashmi (Distinguished Fellow, TERI) and Shantanu Gotmare (India Country Representative, GGGI). There will be a brief question answer session followed by concluding remarks by the chairs. The discussions in the webinar are expected to cover the following questions:

- What are the linkages between environmental quality and COVID-19 related vulnerability?
- What lessons does the current pandemic offer for long-term sustainability, waste management, and built environment related to the health sector?
- What actions are needed for mitigation of spread of zoonotic diseases such as coronaviruses through planetary health and preservation of ecosystems?
- What is the role of traditional knowledge and medicine in the present pandemic situation?
