

## HANDS ON TRAINING MODULES (OFFLINE) on 3<sup>rd</sup> March, 2022

at  
TERI Deakin NanoBiotechnology Centre (TDNBC)  
TERI Gram, Gualphari, Gurugram, Haryana, India

Time	Hands on Training for Quality Control of Arbuscular Mycorrhizal Biofertilizer
10.00 – 11.00 am	Lecture 1: Analysis of mycorrhiza based biofertilizers: Quality control and Challenges
11.00 – 11.30 am	Tea Break
11.30 – 01.00 pm	Lab Demonstration
01.00 – 02.00 pm	Lunch
02.00 – 03.00 pm	Lecture 2: Assessment of infectivity potential of mycorrhiza based biofertilizers
03.00 – 03.30 pm	Lab Demonstration
03:30 – 03:35 pm	Group photograph

### Training Methodology

- Live Lectures and Videos
- Live Demonstrations
- Interactive Query Session

### Registration Fees

- Rs.2500/-

### Student Privileges

The participant who completes the training module successfully will be eligible for -

- E –Certificate

### Seats Available

- 25 seats only (Based on first come first basis)

### Organizer:

DBT-TDNBC-DEAKIN "Research Network Across continents for learning and innovation" (DTD-RNA), TERI-Deakin Nanobiotechnology Centre
