

**BUREAU OF ENERGY EFFICIENCY (BEE)**

*(A Statutory Body under Ministry of Power, Government of India)*

4<sup>th</sup> Floor, Sewa Bhawan, R.K. Puram

New Delhi – 110066

In association with

**THE ENERGY AND RESOURCES INSTITUTE (TERI)**

Darbari Seth Block, IHC Complex

Lodhi Road, New Delhi – 110003

**INVITES APPLICATIONS**

**For Enrolment in the ECSBC Master Trainer Programme**

**Date of Issue:** 16<sup>th</sup> April, 2026

Last date of receipt of Applications: 30<sup>th</sup> May, 2026

The Bureau of Energy Efficiency (BEE), Ministry of Power, Government of India, in association with The Energy and Resources Institute (TERI), invites **Applications** from eligible professionals for enrolment in the **ECSBC Master Trainer Programme**.

This programme is intended to create a pool of qualified professionals who can be trained in the provisions, implementation, and practical application of the **Energy Conservation and Sustainable Building Code (ECSBC) 2024 as well as Eco Niwas Samhita (ENS) 2024** and can subsequently contribute to training, awareness generation, and capacity building on ECSBC across the country. As per the programme framework, the training includes structured lectures, practical exercises, case studies, and an end-of-programme evaluation comprising a presentation and a written examination. Participants who successfully clear the assessment will be certified as **Master Trainers in ECSBC**.

### 1. Background and Purpose

The goal of the ECSBC Master Trainer Programme is to build national capacity for effective understanding and dissemination of ECSBC and ENS for **commercial and residential buildings**. The programme aims to strengthen the ecosystem of trainers and technical professionals who can support code awareness, implementation, compliance, and simulation-based understanding of ECSBC in diverse institutional and professional settings.

### 2. About the Programme

Particulars	Details
Programme Name	ECSBC Master Trainer Programme
Organising Agency	Bureau of Energy Efficiency
Implementation Partner	The Energy Resources Institute
Programme Type	Residential Training Programme
Duration	5 Days
Batch Size	30 participants per batch
Fees	To be borne by BEE
Training Methodology	Classroom learning: Interactive lectures, presentations, case studies, practical exercises, group discussions, simulation-related learning, final evaluation
Evaluation	Participant presentation + 2 hours written examination
Certification	Master Trainer Certificate in ECSBC for successful candidates
Venue	TERI Gram, Gurugram - Faridabad Road, Opposite Pathways School Gwal Pahari, Gurugram - 122-001, Haryana, India.

### 3. Objectives of the Programme

The programme seeks to:

- Develop technical understanding of ECSBC and ENS provisions
- Build national capacity for sustainable building implementation
- Strengthen compliance and enforcement ecosystem
- Create a network of certified ECSBC Master Trainers
- Support awareness and training programmes across states
- Promote adoption of energy efficient building practices

#### 4. Programme Coverage

The training programme is expected to include, among other topics, modules related to:

- Sustainable and innovative building materials
- HVAC systems and energy management
- Lighting and electrical systems
- Water conservation and waste management
- Compliance with ECSBC and implementation strategies
- Practical case studies and exercises
- Sustainable site planning
- Evaluation and certification components

#### 5. Target Participants

The programme is aimed at professionals with relevant experience in the building sector, especially in design, construction, policy, approvals, regulation, energy management of sustainable and green buildings.

Category	Eligible Profiles
Government / Regulatory bodies	CPWD officials, PWD officials of States/UTs, SDA officials, RERA officials, ULB officials, UDD officials, municipality officials, NBCC officials, TCP officials, Development Authorities, Central and State Govt. officials, PSUs, Financial institutions etc.
Technical Professionals	Architects, engineers, energy managers, energy auditors, sustainability professionals (GRIHA CP, IGBC AP, GEM CP), Existing ECBC master trainers, researchers etc.

#### 6. Eligibility Criteria

Applicants should preferably meet the following:

Eligibility Parameter	Requirement
Educational Qualification	Degree in Architecture, Civil Engineering, Mechanical Engineering, Electrical Engineering, Planning, Energy, Sustainability or another relevant field
Professional Qualification	At least 3 years of relevant experience in buildings sector, design, construction, approvals, regulations, energy management, sustainability, or training
Relevant Experience	Experience in energy efficiency / sustainability / compliance / training preferred

#### 7. Selection Process

1. Interested applicants shall submit the Application in prescribed Form along with supporting documents.
2. Applications will be screened based on eligibility, relevance of profile, and experience.

3. Preference will be given to applicants directly engaged in building design, energy management, code implementation, approvals, and regulations.
4. Shortlisted applicants may be allocated to batches subject to availability and programme requirements.
5. Only selected applicants will be contacted by BEE/TERI for further information.

## 8. Evaluation and Certification

Each participant shall be evaluated through:

- Participation during the programme
- A presentation on ECSBC
- A **2-hour evaluation examination** on the last day
- Demonstrated understanding and application of ECSBC concepts, including simulation-related components where relevant

Participants who successfully clear the evaluation shall receive **Certificate of ECSBC Master Trainer** Issued by BEE and TERI.

## 9. Facilities for Selected Participants

Selected participants shall be provided:

- Training material and programme resources
- Accommodation during the residential programme
- Catering during the training period
- Access to faculty sessions and practical components
- Examination and certification process

Travel expenses shall be borne by participants.

## 10. Important Dates

Activity	Timeline
Start Date for Submission of Application	17 <sup>th</sup> April, 2026
Last Date for Submission of Application	30 <sup>th</sup> May, 2026*

\* May be extended if required. Intimation in this regard shall be posted on the official website of BEE.

## 11. Submission of Application

Interested candidates are requested to submit their application in the prescribed format at **Annexure-I**, along with the supporting documents, through email/post as below:

**To**

Ms. Pravatanalini Samal

Director (Building)

Bureau of Energy Efficiency (BEE),

4<sup>th</sup> Floor, Sewa Bhawan, R. K. Puram,

New Delhi - 110066, India

**Email:** psamal@beeindia.gov.in,

CC: pankaj.sharma@beeindia.gov.in; yatin.choudhary@teri.res.in; renuka.shinde@teri.res.in

**Subject Line: Expression of Interest for Enrolment in ECSBC Master Trainer Programme**

## 12. Documents to be submitted

1. Duly filled Application Form (***Annexure-I***)
2. Updated Curriculum Vitae / Resume
3. Proof of educational qualification
4. Proof of current employment / institutional affiliation
5. Statement of purpose
6. Employer nomination letter (if applicable)

### **13. General Instructions**

1. Submission of an Application does not guarantee shortlisting.
2. Incomplete applications or applications received after the due date may not be considered.
3. BEE reserves the right to shortlist applicants, modify batch allocation, or cancel/postpone any batch without assigning reasons.
4. Selected participants shall be informed separately regarding, reporting instructions, and other logistical details.
5. Any corrigendum or update related to this “request for application” shall be communicated through the appropriate channel.

**Application for Enrolment in ECSBC Master Trainer Programme**

**1. Personal Details**

1. Full Name:
2. Gender:
3. Date of Birth:
4. Mobile Number:
5. Email ID:
6. Correspondence Address:
7. State / UT:

**2. Professional Details**

1. Current Designation:
2. Name of Organisation / Department / Institution:
3. Type of Organisation:
  - Government Department
  - Public Sector
  - Private Sector
  - Academic Institution
  - Consultancy / Professional Practice
  - Other (please specify)
4. Total Years of Professional Experience:
5. Current Area of Work:
  - Architecture / Building Design
  - Engineering
  - Town Planning
  - Building Approvals / Regulation
  - Energy Management
  - Sustainability / Green Buildings
  - Training / Capacity Building
  - Research / Academia
  - Other (please specify)

**3. Educational Qualification**

Qualification (UG/ Diploma and above)	Discipline/ Branch	Institution/ University	Mode (Regular Full time/ Part-time/ Online/ Distance)	Year of Passing

**4. Relevant Experience**

Please provide a brief summary of your experience relevant to ECSBC / ECBC / building energy efficiency / sustainable buildings / building regulation / training.

## 5. Experience Related to Training / Capacity Building

1. Have you previously conducted or supported training programmes?
  - o Yes / No
2. If yes, provide brief details:

## 6. Experience Related to ECSBC / ECBC / Building Energy Performance

Please indicate whether you have experience in any of the following:

Area	Yes / No	Brief Details
Building Design		
Energy Management		
Building Regulations / Approvals		
Sustainability / Green Buildings		
Energy Simulation		
Compliance / Audits / Assessments		

## 7. Statement of Purpose

Please provide a brief note, in not more than 300 words, on:

- Why you wish to participate in the ECSBC Master Trainer Programme; and
- How you propose to contribute to future ECSBC-related training and dissemination efforts.

## 8. Employer Nomination (Where applicable)

Certified that the above applicant is sponsored / permitted by this organisation to participate in the ECSBC Master Trainer Programme, if selected.

Name of Sponsoring Authority:

Designation:

Organisation:

Signature:

Seal:

Date:

## 9. Declaration by Applicant

I hereby declare that the information furnished above is true and correct to the best of my knowledge. I understand that submission of this application does not guarantee selection. I agree to abide by the requirements of the ECSBC Master Trainer Programme, including attendance for the full programme duration and participation in the evaluation process.
