

## *DSDS 2015 Special Event*

### **Consultation on the Post-2015 Development Agenda: Sustainable Development Goals and the Means of Implementation**

**Tuesday, 3<sup>rd</sup> February 2015**  
**Magnolia, India Habitat Centre, Lodhi Road, New Delhi**

#### **Agenda**

The post-2015 development agenda will not only bring a new set of Sustainable Development Goals (SDGs) as a standard of development for countries to strive towards, but also new challenges in creating effective means of implementation for SDGs.

The Consultation on the Post-2015 Development Agenda aims to support the process of identifying best practices in means of SDG implementation by gathering experts in the field of SDG governance, financing, and technology, as well as in Sustainable Consumption and Production (SCP) as an important case of implementation to consider. Such dialogue and knowledge exchange is envisioned to contribute to the process of translating global commitments on sustainable development into tangible outcomes.
